## EDUCATION

- **Higher National Diploma (HND) in Computing** — *2021 - 2023*

  **Pearson College London, UK  *(Through Roots IVY College of Management Sciences)***

  Completed a comprehensive program in computing, covering software development, networking, and systems analysis. This education provided me with practical skills and a strong foundation in IT, essential for my career in front-end development.

- **Bachelor of Computing** — *Expected 2025*

  **Arden University, UK  *(Through Roots IVY College of Management Sciences)***

  Currently pursuing a BS in Computing from Arden University, England. I am expanding my knowledge in advanced computing concepts, including software development, data structures, and algorithms, while staying updated with the latest industry trends and technologies.

- **Diploma in Graphic Design** — *2020 - 2021*

  **Self-taught via YouTube**

  Completed a comprehensive graphic design course through YouTube, where I learned key design principles, software tools, and creative techniques. This self-directed learning enhanced my ability to create visually appealing and user-friendly interfaces, complementing my technical skills.

- **Intermediate in Computer Science (ICS)** — *2019 - 2021*

  **MTB College, Sadiqabad**
